

Plotting relative barcode counts by Batch ID, after applying filtering.

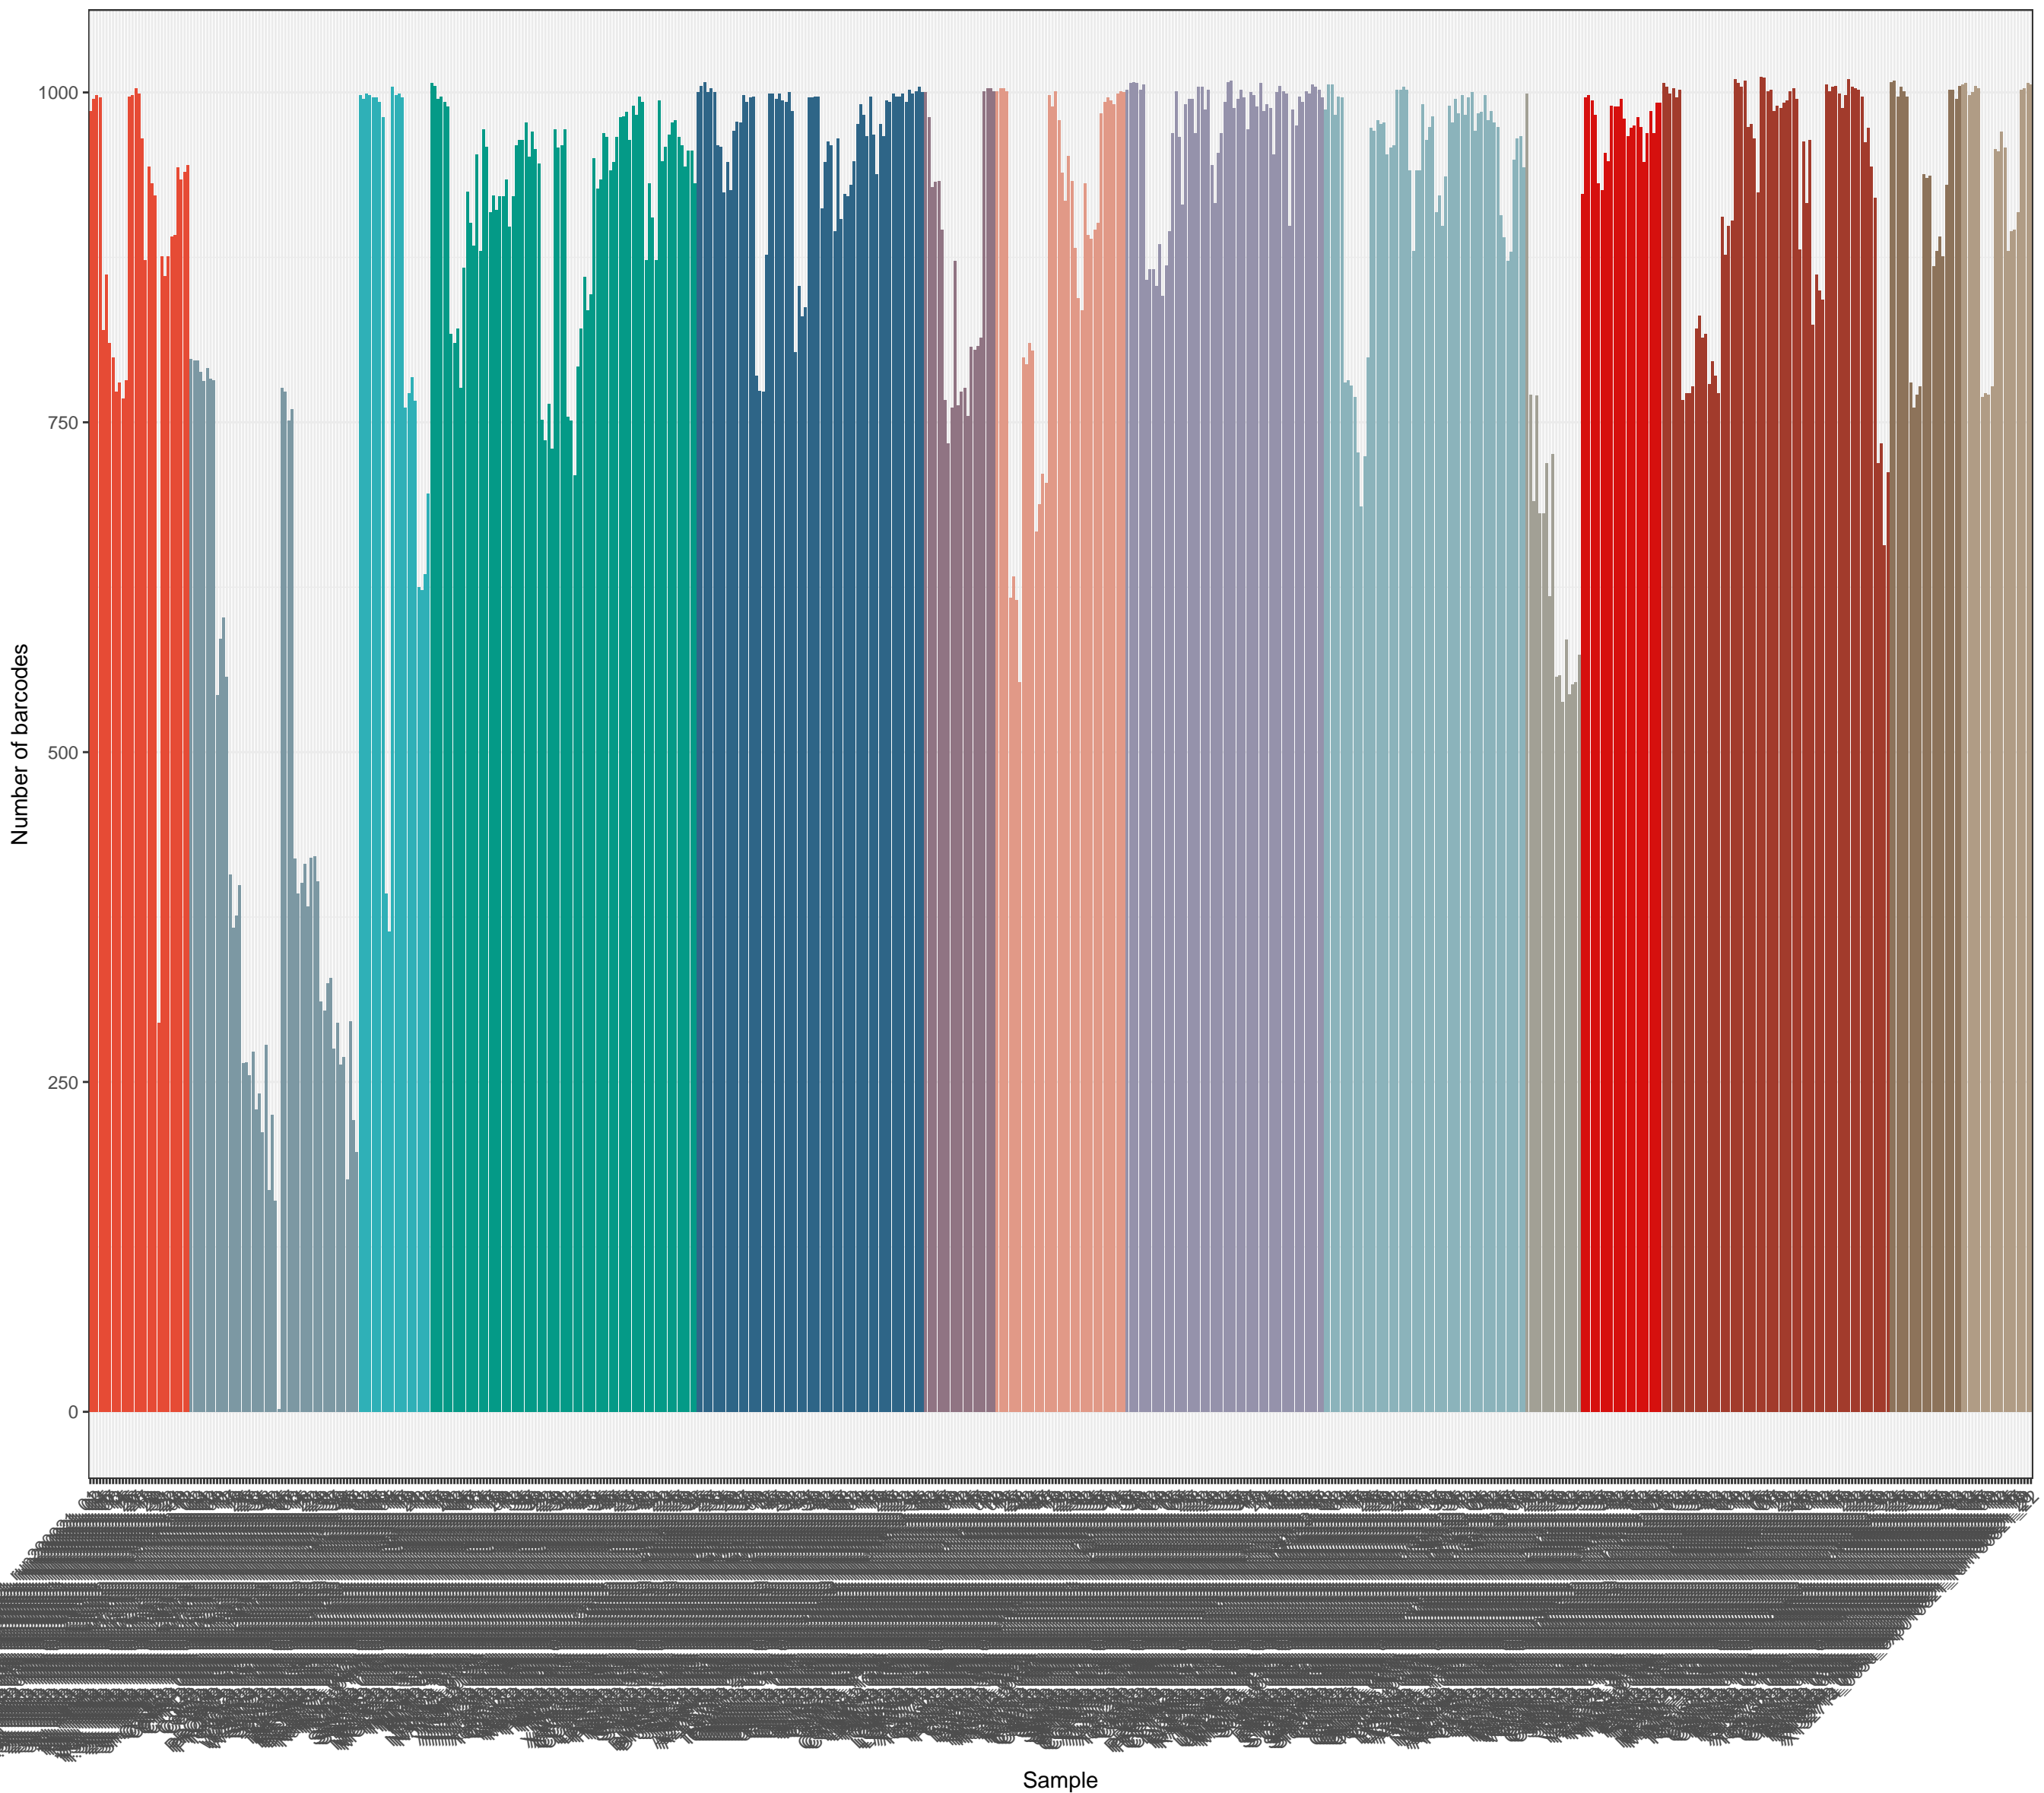

8752 Total barcodes above relative threshold = $1e-04$ in at least 10 samples

exp010821	exp130921	exp181021	exp220322	exp281022_time_course
exp040821	exp130921_in_vivo	exp200921	exp271221	exp300821
exp070222	exp151121	exp200921_dose_response	exp281022_t25	

Plotting relative barcode counts by Batch ID, after applying filtering.

1013 Total barcodes above relative threshold = 0.001 in at least 10 samples
